## Income Protection Accident Only Insurance

### What is Income Protection Accident Only Insurance?

Income Protection Accident Only Insurance pays an Income Benefit if you are unable to work due to a Disabling Injury for longer than your chosen Waiting Period. This Insurance does not provide a benefit if you are unable to work due to illness.

### Who can take out Income Protection Accident Only Insurance?

You can apply for Income Protection Accident Only Insurance if you are working at least 20 hours per week and you have been working in this capacity for at least 12 months prior to the Policy Commencement Date.

You must be an Australian Resident aged between 18 and 59.

### The amount of Income Protection Accident Only Insurance you can apply for

The minimum and maximum Income Benefit Amount that you can apply for at the Policy Commencement Date is shown on the following table:

Minimum monthly Income Benefit Amount	Maximum monthly Income Benefit Amount
\$1,000	75% of your monthly Pre-Tax Income up to a maximum monthly benefit of \$10,000.

The Income Benefit payable will not exceed 75% of your average monthly Pre-Disability Income.

### When we will pay the Income Protection Accident Only Insurance benefit

We will pay the benefits explained below except in the circumstances explained in 'What is not covered under your Income Protection Accident Only Insurance?' on page 11.

#### Income Benefit

We will pay the Income Benefit as a monthly amount if you:

- ✓ suffer a Disabling Injury while covered under the Policy; and

- ✓ remain continuously Disabled during the Waiting Period; and
- ✓ are continuously Disabled after the end of the Waiting Period.

Disabling Injury means due to an Injury occurring after the Acceptance Date, you are:

- ✓ unable to perform the usual duties of your Regular Occupation necessary to produce income; and
- ✓ you are under regular care, in relation to your Injury for which you are claiming; and
- ✓ suffering a loss of income; and
- ✓ you are not engaged in your Regular Occupation or any other gainful occupation.

A Disabling Injury must be certified by your Medical Practitioner and confirmed by one or more medical specialists nominated by us.

Disabled/Disability has the same meaning as Disabling Injury. Please also refer to the meaning given to other defined terms in the 'Glossary' on page 22.

The Income Benefit is payable monthly in arrears during the Benefit Period, with the first payment occurring one month after the end of the Waiting Period.

For partial months the amount paid will be at the rate of 1/30th of the Income Benefit for each day the Life Insured suffers a Disabling Injury after the end of the chosen Waiting Period.

Your Policy Schedule will show the Benefit Period and Waiting Period you have chosen.

**Example:** If you choose a 30 day Waiting Period, your first payment would be 60 days after you were first eligible to claim (the 30 day Waiting Period plus 30 days because claims are paid in arrears).

## Benefit Period

The Benefit Period is the maximum period of time that the Income Benefit will be paid for any one Disabling Injury claim you make under your Income Protection Accident Only Insurance. When you apply for cover, you can choose a 6 month, 1 year, 2 year or 5 year Benefit Period.

The Benefit Period starts at the end of the Waiting Period and continues until the earliest of:

- ✓ the end of the Benefit Period shown on the Policy Schedule; or
- ✓ the date you are no longer Disabled; or
- ✓ the Policy Anniversary following your 65th birthday; or
- ✓ the date your Policy ends.

## Income Benefit Amount

The Income Benefit payable may be less than the Monthly Amount Insured shown on your Policy Schedule.

The Income Benefit payable will be calculated as the lesser of:

- ✓ the Monthly Amount Insured; and
- ✓ 75% of your Pre-Disability Income.

If you are receiving Other Payments, this amount may then be reduced so that the combined total of the monthly amount we pay, plus the Other Payments you receive, is no more than the lesser of:

- ✓ the Monthly Amount Insured; and
- ✓ 75% of your Pre-Disability Income.

If you make a claim we will require you to provide satisfactory financial evidence of your Pre-Disability Income.

We will continue to pay you the Income Benefit until the earliest of:

- ✔ the Disabling Injury giving rise to the claim does not prevent you from earning an income from your Regular Occupation or any other gainful occupation; or
- ✔ the Benefit Period ends; or
- ✔ the Policy ends; or
- ✔ your death; or
- ✔ you are no longer under the regular care of a Medical Practitioner with regard to treatment of the Disabling Injury; or
- ✔ you are no longer following the treatment recommended by a Medical Practitioner at such intervals and frequency as will lead to a cure, alleviation, or minimization of the condition causing the Disabling Injury.

### **Recurrent disability benefit**

If the Disabling Injury recurs within six months of your last Income Benefit and you need to restart your claim, we will treat it as a continuation of your previous claim. In this circumstance the Waiting Period will be waived, but your claim is only payable for the balance, if any, of the Benefit Period.

You must return to full time work for at least six consecutive months and perform all of the important Income Producing Duties of your Regular Occupation without restriction before becoming eligible to submit a new claim for the same or related cause. A new Waiting Period and Benefit Period will then apply.

### **Limit on benefits**

You are only entitled to one Income Benefit payable at any one time under this cover, even if you suffer more than one Disabling Injury giving rise to the claim.

At no time can your Income Benefit exceed 75% of your Pre-Disability Income.

If you are covered under more than one Income Protection Cover and/or Income Protection Accident Only Cover Policy, we will apply these limits to the total of the benefits payable under all such Policies. Any reduction in the Income Benefit will be applied to the Insurance most recently commenced and we will refund the premiums paid referable to the amount by which the Income Benefit is reduced.

### **The cost of your Income Protection Accident Only Insurance**

Premiums are the cost of your Insurance. The premium you are required to pay when the Policy starts is shown on your Policy Schedule.

Your premium is calculated at each Policy Anniversary and is based on:

- ✔ your gender and age at that time; and
- ✔ the Monthly Amount Insured; and
- ✔ the Benefit Period; and
- ✔ the Waiting Period; and
- ✔ various factors which may affect the premium rating such as the state of your health, occupation and participation in hazardous activities.

For a premium quote, or to understand more about the cost of your Insurance, please contact Real Insurance on **1300 367 325** (Monday to Friday between 8am and 8pm AEST), or visit **[realinsurance.com.au](http://realinsurance.com.au)**

## Premium Waiver

You do not have to pay your premium for any period during which the Income Benefit is payable. If we receive your completed claim form within 30 days from the start of your Disabling Injury and the Income Benefit is payable, we will also refund the portion of the premium you have paid in the Waiting Period.

## What is not covered under your Income Protection Accident Only Insurance?

We will not pay an Income Benefit in respect of a claim for a Disabling Injury occurring directly or indirectly from:

- ✔ an intentional self inflicted act; or
- ✔ attempted suicide; or
- ✔ the consumption of drugs (unless it was under the direction of a Medical Practitioner and not in connection with treatment for substance abuse, drug addiction or dependence); or
- ✔ the consumption of intoxicating liquor, including having a blood alcohol content over the prescribed legal limit whilst driving; or
- ✔ war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion; or
- ✔ engaging in any criminal activities or illegal acts.

We will not pay the Income Benefit where we have agreed a special term with you in respect of your cover that specifically excludes the event or condition leading to the claim. Any such special term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

## When your Income Protection Accident Only Insurance starts and ends

If your application for Income Protection Accident Only Insurance is accepted by us, your cover starts on the Acceptance Date set out in the Policy Schedule. Your first premium is deducted from the Commencement Date, which is also set out in the Policy Schedule.

We guarantee to renew your Income Protection Accident Only Insurance (provided you pay your premiums when due) until you attain age 65.

Your Income Protection Accident Only Insurance ends when the first of the following occurs:

- ✔ the Policy Anniversary following your 65th birthday; or
- ✔ the date the Policy ends; or
- ✔ your death; or
- ✔ the date you cancel the Policy; or
- ✔ the date we cancel the Policy; or
- ✔ you are no longer an Australian Resident.

## What is Homemaker Insurance?

Homemaker Insurance pays a monthly Homemaker Benefit while the Homemaker Life Insured is unable to perform any three of their Domestic Duty Tasks due to Sickness or Injury for longer than 30 days.

## When we will pay the Homemaker Insurance benefit

We will pay the benefit explained below while the Homemaker Life Insured is covered under the Policy except in the circumstances explained in 'What is not covered under your Homemaker Insurance?' on page 14.

### Homemaker Benefit

We will pay the Homemaker Benefit as a monthly amount when the Homemaker

Life Insured suffers a Sickness or Injury and, as a result the Homemaker Life Insured:

- ✓ is unable to perform any three of their Domestic Duty Tasks; and
- ✓ is under the regular care of, and following the advice of, a Medical Practitioner in relation to that Sickness or Injury; and
- ✓ has continuously been unable to perform any three of their Domestic Duty Tasks for 30 days; and
- ✓ has continuously been unable to perform any three of their Domestic Duty Tasks since the end of the 30 day period.

The Homemaker Benefit is payable after the expiry of the 30 day period if, solely as a result of Sickness or Injury, the Homemaker Life Insured is unable to perform any three of their Domestic Duty Tasks. The Homemaker Benefit is payable monthly in arrears with the first payment occurring one month after the end of the initial 30 day period.

We will pay the Homemaker Benefit for a maximum period of 6 months for any one Sickness or Injury. Once the Homemaker Benefit has been paid for 6 months, no further payments will be made for the same or a related cause.

**Example:** The first payment would be 60 days after the Homemaker Life Insured was first eligible to claim (the initial 30 days plus 30 days because claims are paid in arrears).

## Homemaker Benefit Amount

The Homemaker Monthly Amount Insured is shown on your Policy Schedule.

If the Homemaker Life Insured is receiving Other Payments, the Homemaker Monthly Amount Insured will be reduced by the Other Payments the Homemaker Life Insured receives.

We will continue to pay the Homemaker Benefit until the earliest of:

- ✔ the Sickness or Injury giving rise to the claim does not prevent the Homemaker Life Insured from performing any three of their Domestic Duty Tasks; or
- ✔ the Homemaker Benefit has been paid for 6 months; or

The total of all Homemaker Insurance benefit payments is limited to \$18,000 plus any automatic sum insured increases.

## Recurrent condition

If the Sickness or Injury of the Homemaker Life Insured recurs within six months of the last Homemaker Benefit payment and you need to restart the Homemaker Benefit

claim, we will treat it as a continuation of the previous claim for the balance, if any, of the 6 month maximum payment period.

## Limit on benefits

Only one Homemaker Benefit is payable at any one time under this cover, even if the Homemaker Life Insured suffers more than one Sickness or Injury giving rise to the claim.

The total of all Homemaker Insurance benefit payments under this Policy is \$18,000 plus any automatic sum insured increases.

If the Homemaker Life Insured is covered under more than one Income Protection Cover and/or Income Protection Accident Only Policy, we will apply these limits to the total of the benefits payable for the Homemaker Life Insured under all such Policies. Any reduction in the Homemaker Benefit will be applied to the Policy most recently commenced and we will refund the premiums paid referable to the amount by which the Homemaker Benefit is reduced.

## The cost of your Homemaker Insurance

A pre-existing condition is a physical condition or related symptom (whether caused by illness or injury) that the Homemaker Life Insured was aware of, or a reasonable person in the Homemaker Life Insured's position should have been aware of, or for which the Homemaker Life Insured had a medical consultation; or

## General Information

### Your 30 day money back guarantee

You have 30 days from the Commencement Date to make sure you are happy with the Policy, and decide whether you want to keep it. This is known as the “cooling-off” period. If you want to cancel your Policy within this 30 day period you may do so provided you have not made a claim under the Policy.

If you wish to cancel your Policy within the cooling-off period, please send a written request providing your instruction to cancel along with your full name and policy number to **Real Insurance**, PO Box 6728, Baulkham Hills NSW 2153. If your request is received within 30 days of your Commencement Date we will refund any premiums you have paid. If you wish to discuss the matter or make alterations to your cover you can contact us on **1300 367 325** (Monday to Friday between 8am and 8pm AEST).

### Automatic sum insured increases

To help your level of insurance keep up with the cost of living, your Insurance and all optional benefits (if applicable) are automatically increased on each Policy

Anniversary by 5%. Automatic increases will continue even where the maximum Insurance amount is met or exceeded. We will send you an updated Policy Schedule each year your Policy remains in force 30 days prior to your Policy Anniversary setting out your updated Insurance amounts and premium. You can decline the automatic increase by phoning us on **1300 367 325** (Monday to Friday between 8am and 8pm AEST), or by writing to **Real Insurance**, PO Box 6728, Baulkham Hills NSW 2153. If you decline the automatic increase, the updated Policy Schedule we sent you will not be valid and we will send you a replacement Policy Schedule.

If the automatic increase would mean that the Income Protection Accident Only Insurance Monthly Amount Insured is greater than 75% of your average monthly Pre-Tax Income, you should reject the increase to avoid paying unnecessary premium.

If you decline the automatic sum insured increase in any given year, we will continue to offer you automatic sum insured increases on each subsequent Policy Anniversary until you are no longer eligible for them.

## Further Insurance options

We may offer you the option of incorporating further Insurance benefits under your Policy. If you accept such offers, we will issue you with a new Policy Schedule setting out the important details about the Insurance option.

## Premiums

We may change the premium rates applying to your Policy, but only if we change the premium rate applying to all (or the same group of) Income Protection Accident Only Cover policyowners. We will send written notice of any change to you (to your last address notified to us) at least 90 days before the effective date of the change.

## How you can pay for your Insurance and when your premium is deducted

Your premium will be debited on the date of your choice, either fortnightly, monthly or annually. The date on which your first premium is deducted will become your Policy Commencement Date. You can pay either by automatic debit from your bank, credit union or building society account or by charge to your credit card.

You may apply at any time in writing or by phone to change the method of payment of premiums. Payment frequency changes can only be made on the Policy Anniversary following the request.

All payments made in connection with this Policy must be made in Australian currency.

## Changing your Insurance

You can phone us on **1300 367 325** (Monday to Friday between 8am and 8pm AEST) to discuss changing your insurance cover. You may need to confirm changes in writing if you wish to:

- ✓ decrease your Insurance; or
- ✓ increase your Insurance.

Any change and the terms and conditions relating to the change are subject to approval and written confirmation by us.

## When we can cancel your Policy

If you don't pay your premium when it is due and it remains unpaid for more than one month your Policy could be cancelled. It may be reinstated within six months of the date that the Policy was cancelled, but only if we agree and subject to any terms and conditions we might require.

The Policy will be cancelled if the Policyowner is on a temporary work visa and ceases to reside in Australia.

If you wish to cancel your Policy and/or optional benefits, please send a written request providing your instruction to cancel along with your full name and policy number to **Real Insurance**, PO Box 6728, Baulkham Hills NSW 2153. If you wish to discuss the matter or make alterations to your cover you can contact us on **1300 367 325** (Monday to Friday between 8am and 8pm AEST).

## Insurance risks

There are a number of insurance risks you should be aware of, including:

- ✓ you need to select the correct Insurance product and apply for the appropriate level of cover for your needs. If you do not have enough cover or the most suitable cover, it might cause you or your family to suffer financial hardship even after receiving the benefit payment;
- ✓ if you are replacing a contract or policy with another contract or policy, you should consider all the terms and conditions of each policy before making a decision to change.

## Benefit payments

We will make all Income Benefit payments to you.

If a Homemaker Benefit applies we will make all payments to you.

If a Children's Insurance benefit applies it will be paid to you.

All benefits paid in connection with this Policy will be made in Australian currency.

## Making a claim

If you wish to claim under this Policy, please phone **1300 307 297** (Monday to Friday between 8am and 8pm AEST), or write to **Real Insurance**, PO Box 6728, Baulkham Hills NSW 2153. You will be sent a form to be completed, signed and returned. We may also require your treating doctor or specialist to complete a form at your expense.

The Policy and the Insurance for the benefit must be in force when the insured event occurs.

Claims should be made as soon as possible after the event giving rise to the claim. If you do not notify us within 120 days after the event giving rise to the claim, and we are disadvantaged by the delay, we may be able to reduce the amount we would otherwise pay, or we may be able to refuse to pay the claim.

Before a claim is payable we must receive proof, provided at your expense and to our satisfaction, that the insured event has occurred. In addition:

- ✔ the insured event must be confirmed by one or more medical specialists nominated by us; and
- ✔ all relevant information, including any test, examination, or laboratory results, must be provided to us.

We may be entitled to refuse to pay the benefit under this Policy if a claim is made more than 120 days after the insured event giving rise to the claim without good cause or if we do not have evidence to our satisfaction of the applicable insured event or the cause of your death.

We reserve the right to require you to undergo, at our expense, examinations or other reasonable tests to confirm the occurrence of an insured event or entitlement to claim. In addition we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

## Tax

The Income Benefit and Homemaker Benefit will generally be considered income. Therefore the premiums in respect of the Income Benefit and Homemaker Benefit may be tax deductible and benefits paid will generally be assessable as income.

In most cases the premium for the Children's Insurance will not be tax deductible and tax will not be payable on a payment of these benefits under your Policy.

This information is based on continuance of present tax laws and our interpretation of those laws.

Your individual situation may differ and you should seek qualified professional advice in relation to your particular circumstances.

## Your duty of disclosure

Before you enter into a life insurance contract, you have a duty of disclosure to tell us anything you know, or could reasonably be expected to know, which is relevant to our decision to insure you, and other Lives Insured, and on what terms.

You have this duty until we agree to insure you. Your duty applies to all lives insured under the Policy, and you have the same duty to disclose those matters before you extend, vary or reinstate this Policy.

You do not need to tell us anything that:

- ✔ reduces the risk we insure you for; or
- ✔ is of common knowledge; or
- ✔ we know, or as an insurer, should know; or
- ✔ we waive your duty to tell us about.

## If you do not tell us something

In exercising the following rights, we may consider whether different types of cover can constitute separate contracts of insurance. If they do, we may apply the following rights separately to each type of cover.

If you do not tell us anything you are required to, and we would not have insured you if you had told us, we may avoid the contract within 3 years of entering into it. This means we could refuse to pay a benefit.

If we choose not to avoid the contract, we may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had told us everything you should have. However, if the contract provides cover on death, we may only exercise this right within 3 years of entering into the contract.

If we choose not to avoid the contract or reduce the amount you have been insured for, we may, at any time vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right does not apply if the contract provides cover on death.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.
