Part A - Product Disclosure Statement including Policy Terms and Conditions

This Product Disclosure Statement (PDS) was prepared on 15 August 2014 and tells you about this insurance to help you decide if the cover is right for you. Any advice provided is general only and does not take into account your individual circumstances. You should carefully read the PDS, and any other documentation we send you, such as your **Insurance Certificate** and keep them in a safe place for future reference. When you enter into the policy you confirm and warrant that you have read (or will read before the end of the cooling off period) the policy documents we provided to you.

We may need to update this PDS from time to time if certain changes occur, where required and permitted by law. We will issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue you with notice of this information in other forms or keep an internal record of such changes (you can get a paper copy free of charge by calling us).

Our commitment to you

We understand the risks you face as a cyclist, whether you're on a training ride, participating in a race, commuting to work, or just storing your bike overnight. That's because we're cycling enthusiasts, just like you. We've put our collective cycling experiences and understanding together to create a unique product tailored for cyclists and we back it up with service that only a specialist bicycle insurer can provide.

Things you should do before purchasing this insurance

Read this booklet

Before you decide to purchase a Realbike Insurance **policy**, you should read this booklet from cover to cover. As with all insurance policies, there are limits to the cover provided and there are also exclusions, including general exclusions that apply to all cover under this insurance (see Pages 23-24) and specific exclusions that relate to certain **loss events** (see Pages 13-17). Certain words, printed in **bold lettering**, also have defined meanings you need to understand (see Pages 33-37).

A summary of your cover

The following is a summary of your Realbike Insurance cover.

Protection for you and your bicycle

Realbike Insurance provides cover anywhere in Australia and New Zealand for some of the most common risks faced by cyclists, such as theft, **crashes** and accidental damage.

Your bicycle cover

Realbike Insurance covers you for loss or damage to your **bicycle** arising from the following perils:

- theft
- damage caused by attempted theft
- unintentional **impact** damage
- **crashing** including while participating in a **cycling event** or **cycling race**
- loss or damage in transit
- **malicious damage**

Levels of cover

Realbike Insurance offers two different levels of cover through our Realbike Sport and Realbike Leisure policies. Eligibility for these policies is determined by the value of your **bicycle**. The Realbike Sport policy includes the following additional cover (which is not included under a Realbike Leisure policy):

- **Personal Accident cover** – Provides benefits in the event you suffer a personal injury while riding the **bicycle**. See Pages 18-19 for more details on this cover.
- **Road Hazard** cover – Provides cover for damage caused to your bike from impacts with **road hazards**
- **Roof Rack** cover – Theft and damage cover is extended for when your **bicycle** is being transported on a motor vehicle bicycle rack.
- **Worldwide cover extension** – You can request the geographic limits of your policy to be extended to

cover your bicycle when you take it overseas. See details on Page 9.

Optional cover (Realbike Sport only)

If you have purchased a RealBike Sport policy, you can extend your policy to include cover for:

- **custom parts** and **accessories** (such as **bicycle computers**) fitted to your **bicycle**;
- custom racing wheels and/or additional wheel-sets; and
- bicycle travel cases.

If you add any of these items to your policy they will be shown on your **Insurance Certificate**. Your policy does not cover **custom parts** or **accessories** that are not listed on your **Insurance Certificate**. The cover provided for these items is restricted to loss or damage when they are either attached to, or being used in conjunction with your **bicycle** at the time of a **loss event** which is covered by this policy. There is no cover under this policy for these items unless the **bicycle** is stolen or damaged in the same **loss event**.

Types of bicycles we cover

The term bicycle means different things to different people, but for the purpose of this insurance, we regard a bicycle as being any cycle, tricycle or tandem powered by human pedalling. This includes road bikes, mountain bikes, track bikes, BMX and recumbent bicycles. We cover a bicycle based on its standard specification as supplied by the manufacturer. Non-standard components, **custom parts**, **accessories**, modifications and other extras are not covered by the policy unless you have told us about them and we have agreed to insure them and listed them on your **Insurance Certificate**. Where your **bicycle** is assembled from a collection of **custom parts**, you are required to tell us about all these components otherwise they will not be covered by your policy.

Risks and restrictions on your cover

Your policy will not operate until you have paid your premium or provided us with valid, authorised bank account details from which to collect the premium or premium instalments. If your premium is dishonoured by your financial institution, this policy will not operate and you will not be covered in the event of a claim.

You may not claim under this policy unless you have complied with the policy's proof of ownership and condition verification requirement. This policy condition is set out in detail on Page 11. In the event that you fail to comply with this condition, we will cancel your policy from inception and you will not have cover. Any premium paid, up to a maximum amount of \$50, will be retained by us to offset our policy administration expenses.

There are specific bicycle security conditions with which you must comply, including the use an **approved lock**. Failure to comply with these security conditions will result in a claim for the theft of your **bicycle** being denied.

If you do not comply with your Duty of Disclosure or fail to adhere to the conditions set out in this **policy** we may refuse to pay a claim or reduce our claim payment to you. Coverage is limited to the included or selected cover options, **sums insured** (including sub-limits) and **bicycle** printed on your **Insurance Certificate**.

This policy will not cover bicycles;

- used to earn an income, such as but not limited to, delivering goods, parcels, packages or other types of courier service;
- owned or ridden by **professional cyclists** or **sponsored cyclists**;
- used for carrying passengers; or
- being used by or in the care of a person under 18 years of age.

Geographical Limit and Worldwide Cover Extension

The **bicycle** must be in Australia at the time you apply for this insurance and when a policy is issued.

This policy only covers claims arising from **loss events** and losses that occur during the **period of insurance** and within the **geographical limit**. Your **bicycle** is not covered while it is outside the **geographic limit** or while it is in transit to or from destinations outside the **geographic limit**. We may extend your policy to cover your **bicycle** if you take it beyond the **geographical limit**, for a period not exceeding 90 days in aggregate during any continuous 12 month period, provided that you have advised us beforehand, and we have agreed in writing to extend your cover to provide the 'Worldwide cover extension'. You may be required to pay an additional premium for this cover.

If you cancel your policy within 120 days of the policy start date after using it for overseas cover, we will charge you a cancellation fee equivalent to 50% of your annual premium. In the event that your travel arises in the first 120 days of insurance for the insured **bicycle**, you will be required to pay at least 50% of the annual premium on the policy in advance.

Other important matters

Your Duty of Disclosure

Before or at the time you enter into a contract of general insurance with us, you have a duty, under the Insurance Contracts Act 1984, to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of insurance and, if so, on what terms.

When you first enter into a **policy** with us, you will be asked questions relevant to your **policy**. In answering questions, you must;

- answer all questions giving honest and complete answers;
- tell us everything that you know; and
- tell us everything that a reasonable person in the circumstances could be expected to tell us.

You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of matters:

- that diminish the risk to be undertaken by us;
- that are of common knowledge;
- that we know or, in the ordinary course of our business, ought to know; or
- for which compliance with your duty is waived by us.

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, we may also have the option of avoiding the contract from its beginning.

Your cover is subject to your proof of ownership and condition verification obligation

You may not claim under this policy unless you have complied with the policy's proof of ownership and condition verification requirement. This obligation must be completed within 14 days of you buying this policy. In the event that this condition is not complied with, we will cancel your policy from inception and you will not have cover. Any premium paid, up to a maximum amount of \$50, will be retained by us to offset our policy administration expenses.

To satisfy this condition, you must provide us with;

1. two (2) digital images showing the whole **bicycle** (left and right hand side images), and
2. one (1) digital image of the **bicycle's** serial number.

Each photograph must be taken in good light, be clearly focused and include within the image, your policy number clearly written on a piece of paper. For cameras with a resolution less than 5 megapixels, the image files for each photograph must be un-resized off the camera. For cameras with a higher resolution, we require a minimum file size of 1Mb.

Alternatively and provided you purchased your **bicycle** new less than 30 days prior to purchasing this insurance, you need only provide us with;

1. the **bicycle's** serial number; and
2. a clear copy of the purchase receipt showing the purchase date and providing full details of the **bicycle** and all **custom parts** and **accessories** listed on the **Insurance Certificate**.

What happens if you are underinsured?

If you underinsure your **bicycle** and make a claim, your claim settlement may be reduced by us to reflect this. You are considered to be underinsured if the **sum insured** at the time of the loss is less than 80% of the **market value** of the **bicycle** (or **depreciated value** in the case of bicycles over 2 years old). (See Pages 30-31 for underinsurance calculations).

Your insurance premium

When you buy your insurance we will tell you the premium you must pay and note it on your **Insurance Certificate**. In determining your premium, we consider factors such as the value of the insured **bicycle**, any listed **custom parts** or **accessories**, the **sum insured**, where the **bicycle** is kept and any relevant claims experience. Your premium includes our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) for your insurance. These are set out on your **Insurance Certificate**.

Your annual premium is due and payable on the day we issue your policy. You have the option, subject to our agreement, to pay your premium in 12 monthly instalments. If you elect to pay your premium by instalments, we may add a policy administration fee to your policy. This amount will be shown separately on your **Insurance Certificate**.

Cooling off period

We offer a 14-day “Cooling off” period. If you decide that this policy isn’t right for you and you have not exercised your rights under this policy, (which includes submitting a claim), you may request cancellation within 14 days of the start or renewal of this policy and you will receive from us a full refund of any premium paid.

Making a claim

What happens if you need to make a claim?

We understand that it can be very stressful if you need to make a claim. Our claims team is here to help you with advice and assistance when you need it most.

If a **loss event** occurs that is likely to result in a claim, the following checklist will help you ensure that you have done everything you need to do so that your claim can be assessed quickly. Not all may be applicable to your claim.

First you should:

- do what you can to **prevent** any further loss, damage or cost;
- report the incident or loss to the police if the **event** involves theft, attempted theft or malicious damage;
- if possible, provide photographs of the **accident/** incident scene and of the **bicycle** at the scene including any observable damage;
- report the incident to us as soon as possible by calling us on 1300 277 002.

You must never, without our consent:

- approve any repairs or arrange replacements;
- dispose of any damaged property.

These actions may result in us reducing or denying your claim.

We will require you to;

- provide us with proof of ownership and value regarding any claimed loss or damage of your **bicycle** or **custom part** or **accessory**;
- provide us with proof, in the **event** of a theft or an attempted theft claim, that you complied with the policy's security conditions (as detailed on Pages 20-22). Proof includes, but is not limited to, providing us with;

 - keep the **bicycle** or **custom part** or **accessory** that has been damaged and allow us to inspect it or assess repair costs;
 - allow us to take possession of damaged property that is the subject of a claim and retain that property if your claim or any part thereof is settled on a total loss basis;
 - help us as we work to exercise, for our benefit, your legal right of recovery against any other party;
 - tell us about any other insurance that may be relevant to the claim.
 - Answer all questions honestly and completely and provide us with any information a reasonable person under the circumstances would expect us to want to know. We may refuse payment of your claim and/or cancel your policy if you or any person who is acting with your express or implied consent, misrepresents, deliberately omits, avoids providing or falsifies any information provided to us in relation to a claim;

We may reduce or deny your claim in the event that you fail to meet or comply with the above claim requirements.

How your claim is settled

If we accept a claim for a **bicycle** or **custom part** or **accessory** covered under this **policy** we will at our discretion:

- repair it ;or
- replace it; or
- pay you the amount that it would have cost us to repair or replace it.

If we elect to repair or replace your **bicycle** or **custom part** or **accessory** our liability will be limited to the cost required to repair or replace it as near as possible to its appearance and condition immediately prior to the claimed loss or damage, less any applicable **excess**.

If we elect to repair your **bicycle** or **custom part** or **accessory** or, alternatively cash settle part of, or your entire claim, our settlement will be calculated as follows:

For a **bicycle** or **custom part** or **accessory** purchased brand new by you that is;

- less than 2 years old at the time of a claim, the most we will pay for any repair or cash settlement will be the lesser of;
 - our **replacement cost**, or
 - the new recommended retail price, or
 - your **sum insured**,less any applicable **excess**.
- more than 2 years old at the time of a claim, the most we will pay for any repair or cash settlement will be the lesser of;
 - our **replacement cost**, or
 - the **depreciated** value, or
 - your **sum insured**,less any applicable **excess**.

For a **bicycle** or **custom part** or **accessory** purchased second hand (used) by you, the most we will pay;

- in the event of a **total loss** of a **bicycle** or **custom part** or **accessory**, is the lesser of;
 - our **replacement cost** for an item of equivalent age, standard and condition, or
 - its **depreciated** value, or
 - its **market value**, or
 - your **sum insured**,less any applicable **excess**.
- in the event of a **partial loss** of a **bicycle** or **custom part** or **accessory**, is the lesser of;
 - our purchase cost for an item of equivalent age, standard and condition, or
 - a percentage of the **depreciated** value, or
 - its **market value**, or
 - your **sum insured**,less any applicable **excess**.

Note¹: The percentage will be calculated by dividing the recommended retail price of a new equivalent item (replacing the damaged item) by the current recommended retail price of an equivalent complete new bicycle (inclusive of any specified **custom parts**, where applicable).

We will never pay more than any relevant limit specified in this document or any relevant **sum insured** printed on your **Insurance Certificate**, less any applicable **excess**.

You may have to contribute towards the cost of repairing or replacing tyres, chains, clusters, chain rings, bearings, seals, shock absorbers, forks or other items that have been affected by wear and tear or rust and corrosion. The amount that you are required to contribute will be determined by the amount of wear and tear or rust and corrosion that is evident at the time of a claim.

We will only pay the cost of repair or replacement of those parts of your **bicycle** that were damaged or stolen under the **insured event**. We do not cover any additional costs to;

- replace or restore undamaged parts of your **bicycle** to create a uniform appearance, or
- cosmetically alter a replaced part to create a uniform appearance.

Preferred repairer

In the event of a claim where we choose to repair your **bicycle** we will advise you of our preferred repairer to undertake repairs to your **bicycle**. Please note we reserve the right in all instances to have repairs undertaken at a repairer of our final choice.

Replacement parts

If any part of your **bicycle** requiring repair or replacement is not available in Australia at the time of your claim, the most we will pay in relation to any such part will be the lesser of the manufacturer's most recent Australian price list or the list price of the closest equivalent part available in Australia.

If your bicycle is a total loss

If there has been a **total loss** claim paid, your **bicycle** or other claimed **custom parts** or **accessories** will become our property and we will keep the proceeds of any salvage sold. No premium refund is due if you have paid your premium annually. If you are paying your premium monthly, we will deduct the balance of the uncollected yearly premium from your claim settlement.

You will need to contact us if you want to apply for new insurance cover for a replacement **bicycle**.

If your bicycle is a partial loss

If you have a **partial loss** claim on your **bicycle** or **custom parts** or **accessories**, the claimed item/s will become our property and we will keep the proceeds of any salvage sold. Your policy remains active during and after the claim being processed and your premium obligations remain unchanged.

Excess

Each claim made for your **bicycle** under this insurance will be subject to an **excess**. **Excesses** vary depending on the type of claim and/or whether the **loss event** occurs inside or outside the **geographic limit**. The **excesses** applicable to your policy will be shown on your **Insurance Certificate**. This is the amount that you will have to pay towards each claim (**loss event**).

At our option, your **excess** will be:

- paid by you directly to a supplier or repairer;
- paid by you to us when we request it; or
- deducted from the amount we pay you.

Underinsurance

If you underinsure your **bicycle** or **custom part** or **accessory** and make a claim, your claim settlement may be reduced by us to reflect this. You are considered to be underinsured if;

- for a bicycle or custom part or accessory less than 2 years old, the sum insured at the time of the loss is less than 80% of its **replacement cost**, or
- for a bicycle or custom part or accessory more than 2 years old, the sum insured at the time of the loss is less than 80% of its **depreciated** value.

Under these circumstances, any amount payable by us will be adjusted to the “insured percentage” of the **bicycle** or **custom part** or **accessory**, less any applicable **excess**. The “insured percentage” will be calculated as follows:

- For a **bicycle** or **custom part** or **accessory** less than 2 years old; by dividing the **sum insured** for the relevant **bicycle** or **custom part** or **accessory** by its **replacement cost**,

Example:

- Bicycle **replacement cost** = \$5,000
- Total **sum insured** = \$3,000
- Insured percentage = $\$3,000 \div \$5,000 = 60\%$

- For a **bicycle** or **custom part** or **accessory** more than 2 years old; by dividing the **sum insured** for the relevant **bicycle** or **custom part** or **accessory** by its **depreciated** value.

Example:

- Recommended retail price when new = \$8,000
- Age of **bicycle** = 2½ Years
- Depreciated value = \$8,000 - \$1,600
(20% for 1st year)
= \$6,400 - \$640 (10% for 2nd year)
= \$5,760 - \$576 (10% for part of 3rd year)
= \$5,184
- Total **sum insured** = \$4,000
- Insured percentage = $\$4,000 \div \$5,184 = 77,1\%$

Personal accident claims

We must be notified as soon as is reasonably practical of any **crash** that may cause disablement to, or has resulted in the death of the insured person.

We will require you to:

- obtain and follow medical advice from a qualified medical practitioner;
- provide a certificate from a qualified medical practitioner confirming the nature and extent of the injury and disability or the time, cause and place of death;
- undergo any medical examination requested and arranged by us;
- provide us with copies of any non-Medicare medical invoices in support of any expenses claim submitted.

Goods and Services Tax (GST)

Any claim payments made under this insurance will be based on GST inclusive costs, up to the relevant sum insured or maximum amount that we pay. However, if you are or would be entitled to claim any input tax credit for the repair or replacement of insured property, we will reduce any claim under this insurance by the amount of such input tax credit.

Your on-going responsibilities

Keep your bicycle in good condition and always protect it

You must maintain your **bicycle** in a good state of repair and condition. You must also make reasonable efforts to protect your **bicycle** from loss or damage. If you make a claim and knew about something that could have caused loss or damage to your **bicycle**, and you did not make reasonable efforts to avoid it before the loss or damage occurred, then your claim may not be paid.

Keep proof of ownership and value

When you make a claim for loss, damage or theft we will require proof that you owned the **bicycle** or **custom part** or **accessory** and of its value or your claim may not be paid. The easiest way to do this is by keeping receipts, invoices, bank or credit card statements or contracts of sale documents for the **bicycle** and all **custom parts** and **accessories** covered under this policy.

Ensure that your premiums are always paid

You are responsible for ensuring that your premiums are paid or your cover could be put at risk. If any monthly premium installment remains unpaid for more than 14 days, any claim you make may not be paid. If your premium remains unpaid for more than 30 days, we may cancel your policy without notification. If you change your bank account or credit card details you must contact us and tell us the new details. Please call us if you are ever unsure about your premiums.

Tell us if you change your bicycle

If you sell your **bicycle** or **custom part** or **accessory** and replace it with a **bicycle** or **custom part** or **accessory** of similar type and value during the **period of insurance** we will automatically cover the replacement **bicycle** from the date of purchase, provided that:

- you tell us within 14 days of buying the replacement **bicycle** or **custom part** or **accessory** and we agree in writing to cover it; and
- you pay any additional premium that may be payable; and
- you comply with the **policy's** proof of ownership and condition verification requirement in respect of a replaced item.

Meeting other obligations

You will need to meet other obligations of the policy, such as the security requirements and claims conditions, or we may reduce or refuse to pay a claim and/or cancel the policy.

Our obligations to you

Renewing your insurance

We will send you a renewal notice at least 14 days before your insurance expires. This notice outlines our renewing terms for your insurance or if we are not offering renewal, we will advise you. Unless you notify us in writing to the contrary, your cover will be automatically renewed for the following year.

Cancelling your insurance

You may cancel the policy at any time by giving us notice in writing of your intention to do so. The cancellation will be effective at the time the notice of cancellation is received by us. We will only accept notices of cancellation given in writing by you via email, mail or fax. We will not accept cancellation requests by telephone.

If you have paid an annual premium, we will refund any premium you have paid, less an amount that covers the period for which you were insured. There is no refund if you have been paying monthly and no refund of any policy/administration fee (as shown on your **Insurance Certificate**).

We can cancel your insurance to the extent permitted by law. For example, if you do not comply with the policy terms and conditions, fail to pay your premium, make a fraudulent claim, induce or coerce someone else to behave fraudulently or if you did not comply with your Duty of Disclosure or knowingly misrepresented information when you entered into this insurance. If we cancel your policy we will send you a cancellation letter to the address shown on your **Insurance Certificate**.
