Legal liability cover

We will pay for amounts you are legally liable to pay as compensation for damage to other people’s property that:

• results from an accident that is your fault; and
• was caused by or arises out of the use of your car, a substitute car, or your trailer or caravan attached to your car at the time of the accident.

This cover is extended to apply to any person who is driving, using or in charge of your car with your permission or any passenger getting into or out of your car. This does not increase the maximum amount we pay under the policy shown below.

We will also pay legal costs and expenses that we approve for any court proceedings for your legal liability covered under this legal liability cover.

The most that we will pay for any legal liability from an accident is $20 million. This amount includes all legal costs and expenses covered by the policy.

Pay As You Drive cover

Want Comprehensive cover but don’t drive that often? Pay As You Drive cover offers you the security of Comprehensive cover for a discounted premium that is based on the distance you estimate you will drive during the period of insurance.

Your start and end odometer readings

When you choose Pay As You Drive cover, we will show on your Certificate of Insurance:

• your start odometer reading – this is your car’s odometer reading that you advise to us before you enter into your period of insurance; and
• your end odometer reading – this represents the maximum odometer reading for your car during the period of insurance.
Your car’s start odometer reading will only be shown on your Certificate of Insurance for your first period of insurance. You have an obligation to ensure that the start odometer reading disclosed immediately before entry into the first period of your insurance policy was/is accurate. If you renew your policy with us, the start odometer reading will not be shown on your renewal Certificate of Insurance.

**Outside odometer excess**

The Outside odometer excess will apply, in addition to your basic excess and any other applicable excess(es) if an incident happens, and:

- your car’s odometer reading is either higher than the end odometer reading, or below the start odometer reading (if you are in your first period of insurance), as shown on your Certificate of Insurance; and/or
- your car’s odometer is faulty or non-functional and you have not had it repaired; and/or
- your car’s odometer has been replaced and your odometer reading has changed as a result, and you have not contacted us to update your policy details.

The Outside odometer excess will be shown on your Certificate of Insurance.

**Kilometre grace distance**

If you have a claim and your car’s odometer reading exceeds the end odometer reading by no more than the number of kilometres (‘Kilometre grace distance’) as displayed on your Certificate of Insurance, we may at our sole discretion waive the Outside odometer excess.
Pay As You Drive rights and responsibilities

Here are some of the responsibilities and rights that apply to Pay As You Drive cover.

Your responsibilities

You are responsible for:

- providing an accurate start odometer reading before your policy commences and if we ask when we vary your policy or if you lodge a claim;
- checking that your end odometer reading as shown on your Certificate of Insurance provides you with sufficient kilometres to meet your needs. If you need to vary this, please contact us on 13 19 48;
- regularly checking your car’s odometer reading to make sure you have not reached your end odometer reading. If the end odometer reading has been exceeded, you need to contact us on 13 19 48 to apply to update your end odometer reading. We may vary the policy terms or charge an additional premium;
- If your car’s odometer has been replaced you will need to contact us to update your policy.

Remember: The obligations that apply to all Real Car Insurance policies also apply to Pay As You Drive cover. See pages 21-23 under ‘Your responsibilities’.

Our rights

We have the right to check the odometer reading you provide by:

- inspecting your car;
- asking you to take your car to an agent that we choose; and/or
- asking you for documents, such as photographs, your car’s service records or registration inspection certificate.

We will not pay any claim where your car’s odometer has been tampered with, replaced or manipulated to alter the odometer reading.
Common questions - Pay As You Drive cover

Q: Can I increase my end odometer reading?

You can contact us on 13 19 48 to increase your end odometer reading. If we agree to this change, you may need to pay an additional premium. In some cases, we may not be able to vary your policy, so it’s important to think carefully about how many kilometres you will need when you apply.

Q: Can I reduce my end odometer reading?

Once cover has started, you cannot reduce your end odometer reading during that period of insurance. On renewal of your policy, you can apply to reduce it for the renewal policy period.

Q: How do I confirm how many kilometres I need when I renew?

When you receive your renewal Certificate of Insurance, a new end odometer reading will be shown. This end odometer reading is an estimate of what your end odometer reading could be for your renewal period.

You need to check this end odometer reading. If you are comfortable with that reading, you do not need to do anything. However, if you would like to either increase or decrease your end odometer reading for the renewal period, you need to contact us on 13 19 48 to vary the reading before the policy renews.

Hollard Roadside Assistance

By purchasing Hollard Roadside Assistance you have access to 24-hour roadside assistance provided by Digicall Assist, not Hollard.

This is a dedicated service which offers 24 hour emergency roadside assistance, 365 days a year, nationwide.*

Digicall Assist has entered into a separate agreement with Hollard to provide this service to the holders of this product that have taken this option. Hollard Roadside Assistance is a separate product to this insurance and you pay an additional amount for it. It will automatically renew with your policy unless you tell us otherwise.

We may change the provider of this service at any time. By choosing this option you confirm that we do not provide these services and are not responsible for them, or liable to you for any loss, damage or liability arising from or connected with them.

* Limits, terms, conditions and exclusions apply. Full details are available free of charge by calling 13 19 48 or you can view the Terms and Conditions at realinsurance.com.au. You will receive separate Terms and Conditions if you purchase this optional extra, which states details of the benefit. Roadside assistance is available in the absence of a claim for loss/damage to your car under the policy.
What is your premium?

Your premium is the amount of money you agree to pay us for your policy.

How much do I pay?

When you apply and we agree to provide you with cover, or we renew, we will advise you the premium amount, which we will confirm on your Certificate of Insurance.

How do we calculate your premium?

Your premium is calculated based on a number of criteria, such as:

- the cover you choose;
- the type of car you own;
- where you park your car overnight;
- your car’s accessories (shown on your Certificate of Insurance) or accepted modifications included in your cover; and
- factors relating to the drivers of your car such as their age and driving history.

We will also look at the value of your car, other factors that increase or decrease the risk of a claim and factors that affect our business costs.

Minimum premiums apply which could reduce any discount you may be entitled to.

Your premium will also include amounts covering government charges, taxes or levies we are responsible for, such as GST and Stamp Duty. This information will be shown on your Certificate of Insurance.
Your responsibilities

Paying your premium

You need to make sure your premium payment(s) are up to date. If they are not, we may cancel your policy in accordance with the law.

If any premium instalment remains unpaid for 14 days or more, we may also refuse to pay a claim.

It is important that you contact us if your bank or credit card details change.

In the event of a total loss claim and where you pay your premium by instalments, we will deduct any unpaid premium for the period of insurance from the claim settlement.

Duty of Disclosure

Before you enter into the policy with us, the Insurance Contracts Act 1984 requires you to provide us with the information we need to enable us to decide whether and on what terms your proposal for insurance is acceptable and to calculate how much premium is required for your insurance.

We will provide you with the relevant Duty of Disclosure that applies before you enter into, vary, renew, extend, reinstate or replace your policy.

You should read and understand it because if the Duty of Disclosure is not complied with we may cancel the policy and/or reduce the amount we pay if you make a claim. If fraud is involved, we may treat the policy as if it never existed, and pay nothing.

Full details of the Duty of Disclosure are available free of charge by calling us on 13 19 48 or you can view it any time at realinsurance.com.au
Looking after your car

You must ensure your car is kept in good repair and you need to take all reasonable precautions to protect your car from loss or damage.

If you do not maintain and protect your car, we may decline your claim or reduce what we pay for a claim.

Notify us when things change

During the period of insurance you must tell us of any change that may increase the chances of a claim or if any information provided by you to us is not accurate. If you do not do this we may refuse to pay a claim where permitted by law.

These things can include but are not limited to:

- if you add any accessories to your car;
- if your car is modified from the manufacturer’s specifications;
- if you change from using your car for private use to business use; and/or
- if you replace or sell your car.

Where things change we will review the policy. We may propose a variation to the policy terms, charge an additional premium or in some cases cancel the policy.
More than one insured person

If there is more than one insured named on your Certificate of Insurance we will treat a statement, act, omission, claim or request to alter or cancel your policy made by one as coming from all of those named as insured.

Paperless correspondence

We prefer to communicate with you by email or other electronic channels. However if you do not want to receive correspondence electronically, let us know.

We will consider any policy documents we send to you electronically to have been received by you 24 hours from when we sent them.

You are responsible for making sure you provide us with your correct and up to date email address.
No insurance covers everything so it is important to understand the exclusions of your policy. These exclusions apply to your chosen cover.

**Driver exclusions**

Your policy does not cover you if at the time of a claim, the driver or supervising driver (in the case of a learner driver) of your car:

- is younger than any age restriction shown on your Certificate of Insurance;
- is a learner driver not accompanied by a fully licensed driver;
- is not legally licensed to drive your car or is not complying with the conditions of their licence;
- is under the influence of any drug, alcohol and/or whose blood alcohol level is over the legal limit; or
- refused to undertake any alcohol or drug tests when asked to do so by the police.

However, we will reconsider your claim if we are satisfied that you had no reason to suspect that the driver of your car was not licensed to drive your car or was affected by alcohol or any drug. If we do settle the claim, we may decide to recover what we have paid from the person who was driving or in charge of your car when the accident happened.

**General exclusions**
Usage exclusions

Your policy does not cover you for an event where your car was used:

• while in an unsafe or un-roadworthy condition, unless you can prove the car’s condition did not cause or contribute to the accident;

• to move, in quantities greater than that used for domestic purposes, dangerous goods or substances that could pollute or contaminate;

• for fee or reward either to carry passengers and/or as a hire car, courtesy car or delivery car;

• for any motor sport or motor sport trial, or driven on a motor sporting circuit, except as part of a defensive driver training course;

• by any motor trade for experiments, tests, trials or demonstration;

• to carry more passengers or tow a load greater than your car was designed for, unless you can prove that this did not cause the accident;

• outside Australia.
Vehicle condition, repairs and maintenance exclusions

Your policy does not cover you for:

• loss or damage to your car caused by using the wrong fuel;
• any repairs to your car we do not consent to;
• loss of or damage to your car after an accident, theft, incident or breakdown where you have not taken reasonable steps to protect your car;
• any pre-existing damage, faulty workmanship or incomplete repairs before the claimed loss;
• mechanical damage arising from you knowingly driving your car in a damaged condition;
• tyre damage caused by braking, punctures, cuts or bursts;
• damage to your car arising from wear and tear, rust or corrosion;
• reduction in value or depreciation;
• mechanical, electrical or computer breakdowns, failures or breakages, or where a component fails to perform to its intended design specification; or
• any claim where the car has been modified or fitted with non-standard accessories without our prior written consent.
Financial and non-financial exclusions

Your policy does not cover you for:

- any amount over the agreed value or the market value of your car as shown on your Certificate of Insurance;
- any limitation that applies to your cover that is shown on your Certificate of Insurance;
- any claim amount below any excess(es) that you must pay or bear;
- any costs associated with the hire of a car unless your car has been stolen or you have the optional extra ‘Hire car cover’;
- loss or damage to any property such as tools of trade, machinery, equipment or parts that we did not agree in writing to cover;
- any loss you suffer because you cannot use your car; or
- compensation for distress, inconvenience or any other non-financial losses.

Other exclusions

We will not pay any claim for loss, damage, liability or cost or expenses caused by or connected with:

- legal costs for criminal acts or fines for breaches of road traffic rules or statutes;
- damage to property belonging to you or any other person covered by the policy, any family member or person who usually lives with you, (other than the cover provided by the additional benefit ‘Personal property’ see page 16);
- damage to property in the care, custody or control of you or any other person covered by this policy;
• any legal fines, penalties or awards, or compensatory damages;
• your legal liability caused by an agreement or contract that you or any person covered entered into (unless you or they would have been liable despite the agreement or contract);
• any legal liability you have accepted without getting our agreement first;
• any claim where you or a third party with your knowledge have deliberately misled us;

**Do not:**

- admit guilt, fault or liability except to the police;
- offer or negotiate to pay any claim; or
- approve any repairs, except essential repairs needed to minimise or prevent further loss or damage to your car.
Assessing your claim

After you have lodged a claim with us, we will assess it. When we are doing this, we may ask you for information or assistance to help with the process.

We may ask you for:

- a face-to-face or telephone interview;
- written statements under oath;
- relevant documents;
- odometer readings;
- proof of ownership of the car and any damaged or lost property, such as receipts, invoices, bank or credit card statements, contracts of sale or original photographs;
- details of any other insurance that relates to the claim.

We will require you to:

- let us see or take possession of any damaged property;
- let us or our agent inspect your car;
- send us any communication you receive about the claim from anyone else (including letters of demand and communication about court proceedings);
- do everything you can to help us to negotiate, defend or settle your claim or to recover costs from another party responsible for damaging your car.
What we pay

If you have a claim under the policy, we will decide (in our sole discretion) whether it is best to:

- repair your car;
- pay you the reasonable cost for your car to be repaired;
- replace your car;
- pay you the agreed or market value of your car (or any other limit shown on your Certificate of Insurance) if it is a total loss; or
- any combination of the above.

When deciding whether to repair your car or pay you the reasonable cost to repair your car, we will take into account the legislation that applies in the relevant State or Territory on whether your car is a total loss.

If your car is a total loss

The maximum amount we will pay for the total loss of your car will be based on the sum insured shown on your Certificate of Insurance, less any excess(es).

Insurance cover for the car will cease as soon as we accept and pay the claim.

If your car is declared a total loss, the car, along with any salvage rights will become our property. At our option we may permit you to acquire or keep the car. Should we choose to do so, the car and associated salvage rights will no longer be our property. We will deduct any unexpired portion of your registration and Compulsory Third Party insurance premium from the settlement amount paid. No premium refund is due if you have paid your premium annually. If you are paying your premium monthly, we will deduct the balance of the yearly premium owing from the claim settlement.

You will need to contact us if you want to apply for new insurance cover for your replacement car.
Who pays for assessing damage?

Repairs and replacements

What do we guarantee?
We will only guarantee materials and workmanship on repairs done by a repairer appointed or approved by us. This guarantee is for as long as you own your car and is not transferable.

Who does the repairs?
A qualified repairer appointed or approved by us will do the repairs. While you can arrange for a quote from a different repairer, we have the final say on who will do the repairs.

What might you need to pay for?
We will repair your car to the condition that it was in immediately before the event leading to the claim.

You may have to contribute to the cost of repairing or replacing items such as tyres, engines, accessories, paintwork, bodywork, radiators, batteries or interior trims that have been affected by wear and tear or rust and corrosion.

We will work out how much you may have to pay depending on the condition of the car at the time of the claim.
## Replacement parts

Is the car under a manufacturer’s warranty?

<table>
<thead>
<tr>
<th>YES</th>
<th>We will use new Original Equipment Manufacturer (OEM) parts. For replacement of windscreens or window glass we might use glass which was not produced by the original manufacturer but will always meet Australian Design Rules.</th>
</tr>
</thead>
<tbody>
<tr>
<td>NO</td>
<td>We may authorise the use of new parts otherwise we will use parts that are consistent with the age or condition of your car. This may include the use of non-OEM or reconditioned parts.</td>
</tr>
</tbody>
</table>

### Damaged parts of a set

We will only pay for the replacement of the actual part(s) damaged.

### Parts or accessories no longer available in Australia

If the parts or accessories are no longer available from the manufacturer or available in Australia, we will only pay the cost of an equivalent part or its last listed parts price or value. We will not pay for any unreasonable extra costs to get the parts faster, and we will not have any responsibility for losses arising from any delay in the supply of parts.
Damage to your car’s identification

If your car’s identification, such as VIN plate or label, has been damaged and we cannot source a replacement from its manufacturer we will try to get written confirmation of your car’s identity from the manufacturer. We will then repair your car without replacing any damaged identification, unless the law says we have to.

Understanding your excess

An excess is the amount(s) of money you pay or must contribute towards the cost of any claim. All excess amounts relevant to your cover will be shown on your Certificate of Insurance. When an excess applies you have to pay your basic excess plus any applicable additional excess(es).

Excess types

There are different types of excesses, depending on what your claim relates to, who was driving your car and the type of cover you have chosen. Over the page we outline the different types of excesses and the situations in which they may apply. You will find the amount of each excess on your Certificate of Insurance.
<table>
<thead>
<tr>
<th>Type of Excess</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Basic excess</td>
<td>The first amount you pay on each claim made under your policy.</td>
</tr>
<tr>
<td>Age excess</td>
<td>This applies if the driver is under 25. This excess does not apply to a learner driver.</td>
</tr>
<tr>
<td>Undeclared young driver excess</td>
<td>This applies if the driver is under 25 and has not been declared as a driver on your Certificate of Insurance. This excess does not apply to a learner driver.</td>
</tr>
<tr>
<td>Learner driver excess</td>
<td>This applies if the driver is a learner driver.</td>
</tr>
<tr>
<td>Inexperienced driver excess</td>
<td>This excess applies if the driver is 25 years of age or over and has not held a valid licence to drive in Australia (excluding learner’s licences and permits) for the last 2 years or longer.</td>
</tr>
<tr>
<td>Outside odometer excess</td>
<td>This excess only applies if our Pay As You Drive cover option is shown on your Certificate of Insurance, and at the time of an incident or claim:</td>
</tr>
<tr>
<td></td>
<td>• your car’s odometer reading is below the start odometer reading or above the end odometer reading as shown on your Certificate of Insurance; and/or</td>
</tr>
<tr>
<td></td>
<td>• your car’s odometer is faulty or non-functional and you have not had it repaired; and/or</td>
</tr>
<tr>
<td></td>
<td>• your car’s odometer has been replaced and your odometer reading has changed as a result, and you have not contacted us to update your policy details.</td>
</tr>
<tr>
<td>Special excess</td>
<td>This excess will only be applied if shown on your Certificate of Insurance and may be based on things such as the car, its use, your driving record, or the insurance history of the drivers of your car.</td>
</tr>
</tbody>
</table>

**Important note:** The age and undeclared young driver excess is not applicable in the instance where you have elected to exclude cover for drivers under the age of 25 in which case there will be no cover.
When do you pay your excess(es)?

We will ask you to pay your excess(es):

• to the repairer when you pick up your car; or
• directly to us when we request it.

Alternatively, we may deduct the excess(es) from the amount we agree to pay you.

When won’t you have to pay your excess(es)?

You will not have to pay an excess if:

• the damage to your car was caused by another car, we agree that you did not contribute or were not at fault, and you can identify the other car and provide its registration number and the driver or owner’s full name and address;

• the damage to your car did not involve another car and we agree that you are not at fault in any way and you are able to identify the responsible party who is legally liable and provide their name and home or business address; or

• you have taken the optional cover for ‘excess free windscreen cover’ and you are only claiming for the breakage of your front windscreen.

For claims involving fire, theft and malicious damage, broken windscreen or damage sustained while your car is parked, the following excesses will not apply:

- Age;
- Undeclared young driver;
- Learner driver;
- Inexperienced driver.

However all other applicable excesses apply.
Changing your cover

We understand that your circumstances may change. That is why we need you to contact us promptly to apply to amend cover during the period of insurance. It is important to note that if you make a request to amend your cover this may affect your premium.

Any proposed changes to your cover will be subject to acceptance at our absolute discretion.

Renewing your policy

1. To ensure continuing protection we will normally send you a renewal offer at least 14 days prior to the renewal date of the policy. It will set out information such as the premium and excess for the new period, and any fees that may apply, information you have previously told us and may also include notice of any proposed changes to the terms or the policy to be renewed.

2. Where you receive a renewal offer, you must tell us if the information contained in it is incorrect or incomplete and you must comply with your ‘Duty of Disclosure’ (see page 21). If you do not we may reduce or refuse to pay a claim or cancel the renewed policy.

3. If nothing needs to be disclosed and you are happy with the renewal offer you do not have to do anything as we will automatically renew on those terms and deduct/charge the new renewal premium from your nominated account/credit card, unless you tell us not to. Should you not wish to take up the renewal offer you must contact us prior to the renewal to advise us.

4. If we do not offer to renew your policy, we will send you a notice telling you this.

Each renewal is a separate policy, not an extension of the prior policy. Your cooling off period will apply on each renewal.
If you have an agreed value policy, we will review your sum insured as part of your renewal offer. The updated amount will be stated on the renewal we send you.

This PDS (together with any amendments, updates or endorsements) also applies for any offer of renewal we make, unless we tell you otherwise or issue you with a new updated PDS or Supplementary PDS amending the PDS terms.

Cancelling your policy

If you want to cancel

You may cancel your policy at any time by contacting us. We may charge you the cancellation fee specified in the Certificate of Insurance to cover the administration costs if you cancel after your cooling off period.

We may charge you the cancellation fee specified in the Certificate of Insurance to cover the administration costs if you cancel after your cooling off period.

If you paid an annual premium, we will refund the full amount, less:

- the amount covering the period you were insured for;
- the cancellation fee; and
- government or statutory charges we are unable to recover.

If you pay your premium by monthly instalments we will not provide a refund.
When we may cancel your policy

We may cancel your policy where permitted by and in accordance with the law. For example, if you:

- do not comply with the policy terms and conditions;
- do not pay your premium as agreed;
- make a fraudulent claim;
- did not comply with your Duty of Disclosure; or
- misrepresented information when you entered into your policy.

If we pay a claim for a total loss, your policy comes to an end and there is no refund of premium.

Claim payments and Goods and Services Tax (GST)

Any claim payments made under this policy will be based on GST inclusive costs, up to the relevant amount covered, or maximum amount that we pay. However, if you are, or would be, entitled to claim any input tax credit for the repair or replacement of insured property or for other things covered, we will reduce any claim under the insurance by the amount of such input tax credit.

You are required to tell us your entitlement to an input tax credit. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we pay.

Financial Claims Scheme

Hollard is authorised under the Insurance Act 1973 to carry on general insurance business. This Act contains prudential standards and practices to ensure that financial promises made by Hollard are met. Because of this, Hollard is exempted from the requirement to meet the compensation arrangements Australian Financial Services Licensees must have in place to compensate clients for loss or damage suffered because of breaches by Hollard or its representatives.

The protection provided under the Federal Government’s Financial Claims Scheme applies to Hollard. If Hollard is unable to meet its financial obligations a person may be entitled to payment under this Scheme. Information about this Scheme can be obtained from the APRA website at fcs.gov.au or their hotline on 1300 55 88 49.

Please refer to our Financial Services Guide for Compensation Arrangements of our Authorised Representatives.
Remuneration

Real Insurance is paid the premium for this Real Car Insurance product if you purchase it. This amount is agreed with you before the product is purchased.

Our staff receive an annual salary that may include bonuses based on achievement of company goals.

Real Insurance will in some cases pay a pre-agreed fee and/or a commission which is a percentage of the premium you pay us, to persons who distribute or refer you to us to buy the insurance. This amount is included in the premium you pay.

You may request particulars about the above remuneration (including commission) or other benefits from us. However, the request must be made within a reasonable time after you have been given this document and before the relevant financial service has been provided to you. Our contact details are provided on the back of this PDS.
The General Insurance Code of Practice

The Insurance Council of Australia Limited has developed the General Insurance Code of Practice, which is a self-regulatory code for use by all insurers. The Code aims to raise the standards of practice and service in the industry. We are a signatory to the Code.

You can obtain a copy of the code from the Insurance Council of Australia website at insurancecouncil.com.au or by phoning (02) 9253 5100.

Updating this PDS

If we change anything about this insurance in the future, the PDS may also change. If the change is relatively small and will not affect your decision to buy or renew this cover, we will list the details at realinsurance.com.au. If we make a substantial update to the product, we will send you a new PDS or Supplementary PDS, explaining the changes we have made.
