## Your checklist when calling for help

To access Hollard Insurance Roadside Assistance simply call us on 1300 782 957. Have your vehicle details (VIN and registration number) and your contact telephone number on-hand. Confirm the location of your vehicle and provide a detailed description of the problem.

## Safety first

If your vehicle has broken down in a hazardous location, please advise the operator when you call and ensure you are not exposed to danger from oncoming vehicles.

## Stay with your vehicle

Once assistance has been called, it's vital that you remain with your vehicle. If our provider arrives at the scene of the breakdown and your vehicle is unattended, we will be unable to carry out any work and payment may be required for any subsequent callouts for the same incident. If you have to leave your vehicle for safety reasons, please advise our operator.

## Hollard Insurance Roadside Assistance benefits and conditions

### Automotive Assistance

We will arrange, where it is possible and safe to do so, most common Breakdown related problems to be rectified including inflation of a flat tyre, replacement of a flat tyre with the vehicle's serviceable spare and jump-starting of a flat battery. Where appropriate, this may also include providing practical tips or advice, on a reasonable endeavours basis, in relation to simple Vehicle operation, any safety warnings or lights that may appear or practical information regarding the Vehicle.

### Minor Automotive Repairs

We will arrange for minor breakdown related repairs to be carried out where it is possible and safe to do so at the automotive. However, if major parts or factory diagnostic equipment are required, the vehicle will be transported to the nearest Authorised Repairer. The cost of repairs, including labour and any required parts, will be your responsibility.

### Flat batteries

If your battery is flat we arrange for a jump start or coordinate a replacement battery if required. We do not cover the cost of the replacement battery but we can arrange the supply as part of our service.

### Emergency fuel

If you run out of fuel we will arrange for the delivery of enough fuel to allow you to reach the nearest petrol station. If you drive an LPG fuelled vehicle, we will arrange for the towing of your vehicle to the nearest petrol station. The delivery is free, and the maximum value of fuel provided is \$10.

### Flat tyres

If you have a flat tyre, we will arrange for it to be changed with the vehicle's serviceable spare wheel or transport the vehicle to an approved tyre outlet. Should additional services be required for any reason, these services would be at the driver's cost.

### Lost or locked keys

Where the key has been lost or stolen, or has been locked inside the Vehicle, we will contribute \$50 to either arrange for the spare key to be delivered or arrange for a locksmith to attend.

In the event you insist the vehicle be broken into to recover keys locked inside the Vehicle, we will not, under any circumstances, be responsible for any loss or damage that occurs to the Vehicle as a result. Due to contractor limitations, this service may not be available in all cases.

### Towing

If the Vehicle cannot be mobilised on the roadside, we will arrange for your vehicle to be towed to the nearest repairer as soon as practical. Towing is provided free of charge up to 100 kilometres from the breakdown location within a capital city or major town. Please note that all additional towing costs and any repair costs are your responsibility.

### Your responsibility for costs

You are responsible for all costs of parts, labour and any other associated costs relating to the management and repair of your vehicle after a breakdown whether the repairs are carried out by the nearest repairer or otherwise.
