Optional Benefit

Accidental Death Insurance:

- + You can choose to add optional Accidental Death Insurance when you apply for cover provided you are aged between 40 and 74 years old. If you have chosen to add optional Accidental Death Insurance and your death was due to an Accident, your beneficiaries will receive the Benefit Amount under this optional Accidental Death Insurance in addition to the Benefit Amount under the Funeral Insurance Benefit if your death was due to an Accident.

If you choose to add the Optional Benefit

If you have chosen a Benefit Amount of \$15,000 and your death is due to an Accident, here is what your beneficiaries will receive:

See page 14 for full details.

Am I covered straight away?

You will be covered for Accidental Serious Injury and Accidental Death from the Policy Acceptance Date.

You will be covered for the diagnosis of a Terminal Illness or death as a result of any cause after the Policy has been in force for 12 months (365 days). If the Policy is reinstated, at least 12 months (365 days) after the Reinstatement Date.

Your benefits from age 85

If your cover remains in force after your 85th birthday, no further premiums are payable, and you will continue to be covered for your Benefit Amount.

Additional benefits will also be added to your Policy.

You have the option to either:

Keep your cover, and receive:

- ✓ **Bonus Cover:** We will automatically add 25% bonus cover to the Benefit Amount. That means, upon your death or diagnosis of a Terminal Illness, or if you celebrate your 100th birthday, you or your beneficiaries will receive an additional 25% on top of your Benefit Amount.

Or receive a cash out:

- ✓ **Early Cash Out Option:** You have the option to end your cover and receive 75% of the Benefit Amount.

The Early Cash Out Option will not include any Bonus Cover Amount and you'll no longer be eligible to claim as this option will cancel your Policy.

How much will my cover cost?

Premiums are the cost of your Insurance.

\$ How your premiums are calculated

Your premiums are determined by:

- ✓ age at the Commencement Date;
- ✓ chosen Benefit Amount;
- ✓ chosen Insurance Plan (single or joint plan); and
- ✓ any optional benefit.

It is important that you consider the future affordability of your premiums when your circumstances change such as when you retire or enter aged care.

How your premium is structured

Your premiums are designed to stay the same year on year.

Your premiums will change if:

- ✓ you change your cover; or
- ✓ we change the premium rates.

Your premium payment frequency options

Premiums for your Policy can be paid fortnightly, monthly, or annually.

What happens if I do not pay my premiums?

We will remind you if you have missed a payment, however, if you do not pay your premiums for more than one month, we will take the necessary steps to cancel your Policy.

Sam celebrates turning 85

Sam has a Funeral Insurance Policy with a Benefit Amount of **\$15,000**.

Bonus Cover

25% Bonus Cover is added, therefore benefit payable upon a death or Terminal Illness claim is **\$18,750**.

Early Cash Out Option

After 2 years, Sam elects the Early Cash Out Option.

As the Early Cash Out Option does not include any Bonus Cover Amount, we will pay Sam **\$11,250** (75% of the Benefit Amount) and cover for Sam ends.

Guaranteed payment at age 100

If Sam doesn't elect the Early Cash Out Option and celebrates their 100th birthday, cover will end, and we will pay Sam **\$18,750**.

Is there a cooling-off period?

If you cancel your Policy within the first 30 days from the Commencement Date and you have not made a claim during this time, we will give you a full refund of any premiums you have paid within 15 business days.

See page 23 for full details.

When will a Funeral Insurance Benefit Amount not be paid?

We will not pay a Funeral Insurance Benefit Amount if the Life Insured is diagnosed with a Terminal Illness or dies from any cause, other than an Accidental Death, during the first 12 months (365 days) of the Policy from the Acceptance Date or the Reinstatement Date if the Policy is reinstated.

Part 2: Real Funeral Insurance Policy

Introducing Real Funeral Insurance

Real Funeral Insurance offers a lump sum payment in the event of death by any cause which occurs, or Terminal Illness which is first diagnosed, at least 12 months (365 days) after the Acceptance Date (or Reinstatement Date if the Policy is reinstated).

This Policy also includes an Accidental Serious Injury Benefit, and has an optional Accidental Death Insurance Benefit. At any time after the Acceptance Date, a lump sum payment will be paid in the event of an Accidental Death or an Accidental Serious Injury. What you are not covered for is explained on page 13 of this PDS.

With Real Funeral Insurance, the Life Insured is protected 24 hours a day, 7 days a week, worldwide while the Policy is in force.

While the lump sum benefit is designed to assist with the cost of your funeral and other final expenses, the benefit may be used for any purpose. You can nominate beneficiaries to receive payment of the benefit payable on your death. How to make a nomination is explained on page 22 of this PDS.

This Funeral Insurance Policy does not provide any funeral, burial or cremation services.

After considering this PDS, you can apply for a Real Funeral Insurance Policy by calling us on **1300 367 325**.

Your Policy

If your application is accepted by us, we will issue you a Policy Schedule. Your Policy consists of the Policy Schedule and:

- ✓ this PDS (which includes the terms and conditions applying under your Policy);
- ✓ the application(s); and
- ✓ any amendments or endorsements we issue to you.

Please keep these documents in a safe place for future reference.

Except as permitted under law, your Real Funeral Insurance Policy may not be transferred or assigned to another person unless in a circumstance explained under **'When cover ends'** on page 16 or **'Changing your Insurance'** on page 24 under a joint plan.

The Insurance provided under this Policy is written out of the Hannover Australian Statutory Fund.

- ✔ dies from an Accidental Death, where the Accident occurs while the Life Insured is covered under the Policy and the death occurs within the first 12 months (365 days) from the Acceptance Date or, if the policy is reinstated, within 12 months (365 days) after the Reinstatement Date; or

where the Accident occurs while the Life Insured is covered under this Policy, the condition occurs within 12 months (365 days) of that Accident, and before the Policy Anniversary following the Life Insured's 75th birthday.

Accidental Death Insurance Benefit

Where you have chosen to add optional Accidental Death Insurance to your Policy, we pay the Benefit Amount if the Life Insured:

- ✔ dies from an Accidental Death,

where the Accident occurs while the Life Insured is covered under this Policy, and before the Policy Anniversary following the Life Insured's 75th birthday.

This is paid in addition to the Benefit Amount payable under the Funeral Insurance Benefit. This option is only available with Funeral Insurance and is shown in your Policy Schedule.

What is not covered under your Policy

Funeral Insurance Benefit

We will not pay a Funeral Insurance Benefit if a Life Insured dies from any cause other than an Accidental Death during the first 12 months (365 days) of the Policy, from the Acceptance Date, or the same limitation applies within 12 months (365 days) of the Reinstatement Date if this Policy is reinstated.

We will not pay Terminal Illness Benefit if a Life Insured is first diagnosed with a Terminal Illness within 12 months (365 days) of the Acceptance Date of the Policy, or within 12 months (365 days) of the Reinstatement Date if this Policy is reinstated.

Accidental Serious Injury Benefit

We will not pay an Accidental Serious Injury Benefit if the Life Insured suffers an Accident that leads to any of the conditions covered under this benefit as a direct result of:

- ✗ an intentional self-inflicted bodily injury, suicide or attempted suicide; or
 - ✗ engaging in any criminal activities or illegal acts; or
 - ✗ intoxication by or being under the influence of any drugs or controlled substance, including but not limited to prescribed medications, marijuana and hashish (as defined in the state where the Accident occurred), unless administered on the advice of a Medical Practitioner and taken as prescribed by such Medical Practitioner; or
 - ✗ for motor vehicle accidents being under the influence of alcohol or having a blood alcohol level at or above the legal limit at which it is unlawful to operate a motor vehicle or motorised device (as defined in the state where the Accident occurred); or
 - ✗ the consumption of drugs in connection with treatment for substance abuse, drug addiction or dependence; or
 - ✗ engaging in any professional sport (meaning the Life Insured's livelihood is substantially dependent on income received as a result of playing sport); or
 - ✗ engaging in any motor sports as a rider, driver and/or passenger; or
 - ✗ being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in a properly licensed aircraft; or
 - ✗ war (whether declared or not) or war-like activity or taking part in a riot or civil commotion.
-

What is not covered under your Policy (continued)

Accidental Death Insurance Benefit

We will not pay an Accidental Death Insurance Benefit if the Life Insured’s Accidental Death is the result of an Accident, for loss due to or directly contributed to by:

- ✗ intoxication by or being under the influence of any drugs or controlled substance, including but not limited to prescribed medications, marijuana and hashish (as defined in the state where the Accident occurred), unless administered on the advice of a Medical Practitioner and taken as prescribed by such Medical Practitioner; or
- ✗ for motor vehicle accidents, being under the influence of alcohol or having a blood alcohol level at or above the legal limit at which it is unlawful to operate a motor vehicle or motorised device (as defined in the state where the Accident occurred).

Benefit Amount

The Benefit Amount provided under your Policy will be shown in the Policy Schedule. You can apply for a Benefit Amount from \$3,000 up to a maximum of \$15,000.

Funeral Insurance Benefit

The amount payable under the Funeral Insurance Benefit is equal to the Benefit Amount (maximum of \$15,000).

Accidental Serious Injury Benefit

The amount payable under the Accidental Serious Injury Benefit is equal to the Benefit Amount (maximum of \$15,000).

Only one Accidental Serious Injury Benefit is payable per Life Insured. A successful claim under the Accidental Serious Injury Benefit will not reduce the Benefit Amount.

Accidental Death Insurance Benefit

Where an optional Accidental Death Insurance Benefit appears in your Policy Schedule, the amount payable is the Benefit Amount (maximum of \$15,000). If the Life Insured dies as the result of an Accidental Death, this is paid in addition to the Benefit Amount payable under the Funeral Insurance Benefit.

For example: if the Benefit Amount is \$15,000, and you suffer an Accidental Death, a total benefit of \$30,000 is payable – this includes \$15,000 for the Funeral Insurance Benefit plus the \$15,000 for the optional Accidental Death Insurance Benefit.

**Maximum
Benefit Limits**

To enable the insurer to manage the insurance risk on any one Life Insured, it is necessary to set a maximum limit on the cover provided for a Life Insured under all Real Funeral policies.

The maximum Benefit Amount for a Life Insured is \$15,000. This means that if you apply for the maximum Benefit Amount, then:

- ✓ the Funeral Insurance Benefit or Terminal Illness Benefit is \$15,000
- ✓ the Accidental Serious Injury Benefit is \$15,000
- ✓ the optional Accidental Death Insurance Benefit is \$15,000

Entitlement to Bonus Cover (explained on page 17) is in addition to the Funeral Insurance Benefit and will not affect the maximum benefit limit.

If the Life Insured is covered under more than one Real Funeral policy, we will apply the maximum benefit limits to the total of the benefits payable for the Life Insured under all Real Funeral policies.

If you have exceeded the maximum benefit limit, we will reduce the Benefit Amount to bring it back in line with the maximum benefit limit. Any reduction in the Benefit Amount will be applied to the Real Funeral policy or policies most recently commenced, and we will refund the premiums paid referable to the amount by which the Benefit Amount is reduced.

We will make reasonable attempts to contact you prior to making any reduction. If we are unable to reach you, we will:

- ✓ proceed with the reduction and provide a refund of premium if required as described above; and
- ✓ send you an updated Policy Schedule reflecting the adjustments to the Policy.

If the Benefit Amount once adjusted still does not comply with the maximum or minimum limit available on the Policy, we reserve the right to cancel the Policy from inception and treat it as though it never existed. We will notify you of the cancellation in writing.

**When cover
starts**

If your application for Real Funeral Insurance is accepted by us, then cover starts on the Acceptance Date set out in the Policy Schedule. Your first premium is deducted from the Commencement Date, which is also set out in the Policy Schedule.

We guarantee to continue your Policy until your cover ends explained in '**When cover ends**', provided you pay your premiums when due.

When cover ends**Funeral Insurance Benefit**

Cover under the Funeral Insurance Benefit for a Life Insured ends on the earliest of any of the following events:

- ✓ the date of their death; or
- ✓ on their 100th birthday; or
- ✓ the date you elect to take up the Early Cash Out Option (explained on page 18) for that Life Insured; or
- ✓ the date of a Terminal Illness Benefit payment; or
- ✓ the date you cancel the Policy; or
- ✓ the date we cancel the Policy.

Accidental Serious Injury Benefit

Cover under the Accidental Serious Injury Benefit for a Life Insured ends on the earliest of any of the following events:

- ✓ the date the Funeral Insurance Benefit ends; or
- ✓ the date the Benefit Amount is paid for an Accidental Serious Injury Benefit; or
- ✓ the Policy Anniversary following their 75th birthday.

Accidental Death Insurance Benefit

Cover under the optional Accidental Death Insurance Benefit for a Life Insured ends on the earliest of any of the following events:

- ✓ the date the Funeral Insurance Benefit ends; or
- ✓ the Policy Anniversary following their 75th birthday.

Joint plan

Where cover ends for the Key Life Insured, if there is a Partner Life Insured who wishes to retain their cover, the Benefit Amount for the Partner Life Insured can continue (provided we receive payment of the next due premium).

The Policy will be issued to the Partner Life Insured in their name as the Policyowner, issued as a single plan under the same terms as this Policy and takes effect subject to payment of the next due premium.

Additional benefits from age 85

Bonus Cover From a Life Insured's 85th birthday, we will automatically add 25% Bonus Cover to the Benefit Amount in force immediately prior to their 85th birthday. No additional premiums will be charged for Bonus Cover.

Where Bonus Cover applies, if a claimable event under the Funeral Insurance Benefit occurs after the Life Insured's 85th birthday, or they celebrate their 100th birthday, we will pay both the Benefit Amount in force **immediately** prior to the 85th Birthday, and the Bonus Cover.

Bonus Cover is not available where the Early Cash Out Option (explained on page 18) has been elected for that Life Insured.

For example: Sam's Real Funeral Insurance Policy provided a Benefit Amount of \$15,000 immediately prior to their 85th birthday. From Sam's 85th birthday, premiums are no longer payable and Bonus Cover is automatically added to their Policy.

If Sam dies at the age of 90:

- ✓ we will pay \$18,750 – this includes the Benefit Amount in force immediately prior to Sam's 85th birthday (\$15,000), plus the 25% Bonus Cover (\$3,750).

If Sam celebrates their 100th birthday, we will pay \$18,750:

Early Cash Out Option

At any time after a Life Insured's 85th birthday, the Key Life Insured may elect the Early Cash Out Option and end cover for that Life Insured. If the Key Life Insured elects this option, we will pay the Key Life Insured 75% of that Life Insured's Benefit Amount in force immediately prior to that Life Insured's 85th birthday.

If you have a single plan, and you elect this option, your Policy will end.

If you have a joint plan, and you terminate your cover under this option, but not your Partner Life Insured's cover, your Policy will remain in force, and we will continue to provide cover for your Partner Life Insured.

Risks associated with electing the Early Cash Out Option

Before you elect the Early Cash Out Option, you should consider the benefits otherwise available under your Policy at that time and the risks that may apply in making this decision, including:

- ✓ the amount available upon death will exceed 75% of the Benefit Amount at the time you make your election.

For example: Sam's Benefit Amount was \$15,000 immediately prior to Sam's 85th birthday. From Sam's 85th birthday, premiums are no longer payable and the Early Cash Out Option is available.

If Sam elects to take the Early Cash Out Option, we will pay \$11,250. However, if Sam decides not to elect for the Early Cash Out Option, Sam's beneficiary will be eligible to claim \$18,750 – being the Benefit Amount (\$15,000), plus the 25% Bonus Cover (\$3,750) – on death, or Sam will be eligible to claim \$18,750 for diagnosis of a Terminal Illness, or if Sam celebrates their 100th birthday.

You can call us on **1300 367 325** to find out the amount payable on your death, or on the death of the Partner Life Insured.

Cost of Real Funeral Insurance

How we calculate your premiums

Premiums are the cost of your Insurance.

Your premiums are designed to stay the same year on year, but will change if you apply to change your cover, or we change the premium rates for your Policy (see the section on Premium rate changes below).

Your premium is determined at the Commencement Date and is based on the Life Insured's:

- ✓ age at the Commencement Date;
- ✓ chosen Benefit Amount;
- ✓ Insurance Plan chosen (single or joint plan); and
- ✓ any active optional benefit.

When a Life Insured reaches age 85, and the Policy is still in force, cover for that Life Insured will continue, and premiums for that Life Insured are no longer payable. If you have a joint plan and your Partner Life Insured is aged less than 85, premiums for your Partner Life Insured are still payable, until they reach age 85.

Payment methods, frequency and due date

The premium must be paid in Australian dollars.

You can pay your premium by automatic debit from your bank, credit union or building society account, or by credit card.

Your premium will be debited on the agreed date you have chosen, either fortnightly, monthly or annually.

You may apply at any time to change the method of payment of premiums by calling us on **1300 367 325**.

If you are having difficulty making your premium payments, please contact us and we will inform you of the options we can provide to assist you to retain your cover.

Premium rate changes

We may increase the premium rates applying to your Policy, but only if we change the premium rate applying to all (or the same group of) Real Funeral Insurance Policyowners/Partner Life Insured. We will send written notice of any change to you (to your last address notified to us) at least 90 days before the effective date of the change.

Tax

In most cases your premium will not be tax deductible and tax will not be payable on any Benefit Amount paid under your Policy.

This information is based on continuance of present tax laws and our interpretation of those laws. Your individual situation may differ, and you should seek qualified professional advice in relation to your particular circumstances.

You will be sent a form to be completed, signed and returned. We may also require your treating doctor or specialist to complete a form at your (or your estate's) expense. The Policy and the Insurance for the benefit must be in force when the insured event occurs for a claim to be eligible under the Insurance provided.

Claims should be made as soon as possible after the event giving rise to the claim. We encourage you to lodge your claim within 120 days of the insured event, as this will assist in reducing any delays within the claim assessment.

Before a claim can be fully assessed, we must receive proof, provided at your (or your estate's) expense. This proof must be to our reasonable satisfaction, that the insured event has occurred. In addition, in some cases it will be necessary for us to obtain:

- ✓ proof to be supported by one or more appropriate Medical Practitioners (where relevant in the case of an Accident) as indicated in the '**Definitions**' section starting on page 30; and
- ✓ all relevant information, including any test, examination, or laboratory results, to be provided to us.

To enable us to determine if a claim is payable under the terms of your Policy, we may require the Life Insured to undergo (at our expense) examinations or other reasonable tests, and where necessary, a post-mortem examination. These may be needed to confirm the occurrence of an insured event. In addition, we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

Benefit payments

Unless a valid benefit nomination (explained below) applies, we make all benefit payments to you, or on your death:

- ✓ under a single plan, to your legal personal representative, or other person that we are permitted to pay under the Life Insurance Act 1995 (the Act); or
- ✓ under a joint plan, to your surviving Partner Life Insured.

Benefits will be paid in Australian dollars.

The payment of the Benefit Amount in accordance with the above or to a nominated beneficiary in respect of a Life Insured is full and final discharge of our liability under the Policy for that Insurance benefit.

Benefit nominations

As the Policyowner, we recommend that you nominate a beneficiary or beneficiaries to receive payment of the Benefit Amount upon your death.

To nominate a beneficiary, sign in via **'My Account'** at **realinsurance.com.au/myaccount** to complete your nomination online. Alternatively, you may download a **Nomination of Beneficiaries Form** from the Real Insurance website or contact Real Insurance at:

Insurance risks

In considering whether to buy Real Funeral Insurance, there are a number of insurance risks you should be aware of, including:

- ✓ you need to select the type of insurance benefit and apply for the appropriate level of cover for your needs. If you do not have the appropriate type and level of cover, it might cause you or your family to suffer financial hardship even after receiving payment of the benefit payment;
 - ✓ if you are replacing a contract or policy with another contract or policy, you should consider all the terms and conditions of each policy before making a decision to change. Your new cover may not provide the same level or scope of cover and you may need to re-serve waiting periods. Your new cover may not provide the required protection if you make any errors or omissions in your new application;
 - ✓ before cancelling any existing policy, you should check that you have been issued with a new policy, otherwise you risk being uninsured;
 - ✓ over time, your circumstances may change and you may find that you are less able to afford to pay the premium;
 - ✓ it is possible that you will pay more in total premiums than the value of the cover, depending on how long you hold cover for;
 - ✓ the amount of cover may not adequately cover the Life Insured if they suffer illness or injury; and
 - ✓ we may not pay a benefit in some circumstances (refer to the information for '**What is not covered under your Policy**' on page 13) because an exclusion applies under your Policy.
-

**Insurance risks
(continued)**

Real Funeral Insurance is an insurance policy designed purely for protection and is not a savings plan. This means that, unless the Early Cash Out Option applies (explained on page 18) if you cancel your Policy (after the 30-day cooling-off period), or we cancel your Policy, you will not receive anything back. You will also not be able to make a claim for an event arising after the date your Policy is cancelled.

**Changing your
Insurance**

Once your Policy has been accepted by us, you can request the following changes to your Policy:

- ✔ update your personal details;
- ✔ decrease a Life Insured's Benefit Amount;
- ✔ change from a joint plan to a single plan; or
- ✔ under a joint plan, transfer ownership to your Partner Life Insured; or
- ✔ remove the optional Accidental Death Insurance Benefit for one or both Lives Insured.

If this Policy is purchased as a single plan, this cannot be assigned to any other person or entity.

From the Acceptance Date of the Policy, the following changes cannot be made to your Policy:

- ✔ the addition of a Partner Life Insured;
- ✔ increases to the Benefit Amount; or
- ✔ the addition of the optional Accidental Death Insurance Benefit.

If you wish to discuss your Policy or make alterations to your Insurance, you can contact us on **1300 367 325**.

Any change, and the terms and conditions relating to the change, are subject to our approval and written confirmation by us.

**Sanctions
Laws**

Australian and overseas laws impose sanctions that restrict or prohibit dealings with certain persons, entities, countries or assets (including insurance policies).

We will not provide cover, accept premiums, or make any claim or other payment under this Policy where doing so would breach, or expose us to a risk of breaching, any applicable sanctions law.

This applies where any Policyowner, Key Life Insured, Life Insured or nominated beneficiary:

- ✓ is listed on any applicable Australian or overseas sanctions list;
- ✓ resides in, is located in, or is otherwise connected with a sanctioned country; or
- ✓ requests payment to an account with a financial institution that is subject to sanctions or located in a sanctioned country.

We are not liable to provide any cover, accept any premium, or make any claim or other payment to the extent that doing so would breach, or expose us to a risk of breaching, any applicable sanctions law.

Our complaint resolution process has three steps.

1. Initial response

Usually when you have a complaint, we will resolve it immediately on the phone. If we cannot immediately resolve your complaint to your satisfaction straight away, it will then be referred to our independent Internal Dispute Resolution (IDR) team. The IDR team will acknowledge receipt of your complaint within 1 business day where reasonable and will review the matter in detail.

2. Internal dispute resolution

The IDR team will continue to assess your complaint and, after full consideration of the matter, will provide you with a written final response within 30 days. This response will outline the decision reached and the reasons for the decision.

3. External dispute resolution

In the unlikely event that your complaint is not resolved to your satisfaction by the IDR Team, or a final response has not been provided within 30 days, you may be eligible to refer your matter to the Australian Financial Complaints Authority (AFCA) provided your matter is within the scope of AFCA's Complaint Resolution Scheme Rules.

Your duty to take reasonable care

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into.

A misrepresentation is an answer that is false, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, reinstating insurance and when you authorise others to apply for cover on your behalf.

If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your Insurance. Your Policy could be voided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

Guidance for answering our questions

You are responsible for the information provided to us. When answering our questions, please:

- ✔ think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond;
- ✔ answer every question;
- ✔ answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it; and
- ✔ review your application carefully, whether you or someone else helped you complete your application (for example, your interpreter or authorised third party), and any other documentation we provide you that was used in the assessment of your application.

Changes before your cover starts

Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

If you need help

It is important that you understand this information and the questions we ask. Ask us for help if you have difficulty understanding the process of buying insurance or answering our questions.

If you are having difficulty due to a disability, understanding English or for any other reason, we are here to help and can provide additional support for anyone who might need it. If you want, you can have a support person you trust with you while speaking with us.
